Giving Day 2023
Wednesday, March 8, 2023
Giving Day is a one-day fundraising event for all members of the University of Maryland community. Students, faculty, staff, parents, friends and alumni are invited to join the largest day of giving because we are all Terps! The goal is to raise critical funding and engage our community to advance the mission of the University of Maryland.

Maryland Day
Saturday, April 29, 2023
If we can get Nyumburu Cultural Center Ambassadors such as yourselves in the mix with helping to spread the word we are bound to increase our success in raising the necessary funding for Nyumburu Cultural Center for Maryland Day. Of course, we will gladly accept gifts from supporters throughout the year, but the plan is to coordinate efforts to take advantage of university incentives and matching funds to help optimize fundraising. I am formally asking for your assistance in helping to do the very thing that I have grown to know that you do anyway based upon your relationship over the years with Nyumburu Cultural Center staff, and your alma mater!

Gifts and donations to Nyumburu Cultural Center/UMD are tax deductible through the University of Maryland College Park Foundation, a 501(c)3 organization. Please consult your tax advisor if you have tax questions.
